

2022 LBRCA ANNUAL CONFERENCE

**10-12
FEBRUARY
2022**

**THE RANGE,
WAGGA WAGGA**

WELCOME TO WAGGA WAGGA

Welcome to the 2022 Livestock Bulk and Rural Carriers Association Annual Conference, being held on 10-12 February at The Range Function Centre.

In 2022, our conference will be working towards “Cutting Red Tape”, identifying the need for LBRCA to continue to work hard to sustain the viability of this industry by removing unnecessary limitations.

LBRCA annual conferences are for everyone, and our program is aimed at highlighting the issues that impact you day in and day out. These issues range from unfair infringements and regulation to unsafe loading and unloading facilities.

We'll kick off first thing Friday morning to give you more opportunity to discuss the issues that matter to you and your business. This ensures enough time for those who want the opportunity to have their say. Over the past 12-18 months, the LBRCA has been tackling some of the hard issues such as better first and last mile access through the Farm Gate Access Pilot Project, the long-awaited amendments to the use of the primary producer registration concession in NSW and getting the ball rolling on a young heavy vehicle cadetship to address driver shortages, just to mention a few.

LBRCA conferences are also a big hit for their friendly social events. In 2022 this will kick off with our Thursday night Welcome Reception, courtesy of Ampol. Head to the Wagga RSL Sportsman Lounge in your favourite sports team attire for a relaxed and casual evening that includes a full-catered pizza bar. A clay target shooting 5-man standoff is also on offer for those interested on Friday afternoon before the evening happy hour and dinner commence. We have lined up a quality mix of local musicians and entertainers, and along with a mouth-watering roast carvery, Friday night is sure to be a hit!

The weekend will conclude with our Saturday night Blue-Ribbon Gala dinner that includes a three-course dinner and world-class entertainment. So why not take the weekend and make the investment to come along to your association conference? – I know you won't regret it!

I look forward to seeing you there.

Paul Pulver
LBRCA President

HOST CITY

Wagga Wagga is nestled on the banks of the Murrumbidgee River and is the largest regional city in NSW. In 1965 Council adopted a city flag, at the time it negotiated a “Coat of Arms” through the College of Arms in London. The flag was designed by Mr H Ellis Tomlinson, MA, FHS.

The stalks of wheat and other motifs incorporated in the design were suggested by Council. The design of the city flag was taken from the central motif of the shield of the Coat of Arms, with the design being made square.

The name “Wagga” is derived from the local Wiradjuri Aboriginal language. It is widely accepted that “Wagga” means “crow” and to create the plural, the Wiradjuri people repeat the word. Therefore, Wagga Wagga translates as ‘the place of many crows’.

The Chiko Roll made its first appearance at the Wagga Wagga Show in 1951. It was inspired by the Chinese spring roll and was designed to be eaten with one hand whilst drinking a beer with the other.

Wagga Wagga is also home to Australia's premier Livestock Marketing Centre (LMC) for the marketing of both cattle and sheep and lambs!

PARTNER'S PROGRAM

The 2022 Partners Program will be packed full of lots of things to see and do as we visit the local attractions in Wagga, Junee and surrounds.

Included in the tour will be a visit to the Junee Licorice and Chocolate Factory. An iconic attraction to Junee, it produces licorice made from home grown produce and Belgian chocolate with a wide arrangement of flavours. A tour of the mill will allow you to see the delicious work in action!

In addition, the tour also includes a visit to the Junee Roadhouse Railway Museum, allowing you the opportunity to view one of the few working roundhouse turntables (30 metres). The roundhouse is still actively engaged in its original purpose, while one half is a museum, the other still operates as a railway refit workshop.

And a visit to the Riverina would not be complete without a visit to the famous Monte Cristo Homestead, which is home to many pieces of historical art and antiques.
