Livestock Conversion

In 2027, LBRCA will be hosting the Livestock Conversion. We will be using a 4x2 B trailer, proudly supplied by our Platinum Partner Truck Art Trailers, with all competitors vying for the title of Champion – and bragging rights. The rules are simple – convert the float from cattle set up as big pens to sheep and back again with the objective of completing it in the shortest time possible. Heats will be run throughout Friday 12 March with the fastest three competitors competing in the final during Happy Hour.
